How do I book a private room?

You can book any of our private rooms using the Flexbooker portal. Simply choose the room you are interested in and click "Book Now." After choosing the date you are interested in, you select the desired start time of your booking. All bookings are 4 hours and you can add more time at this stage if you would like. Next you would fill out the required fields. Once this is completed you will be taken to a secure page to enter your credit card information, a credit card is required to make a booking. We do not charge a deposit at the time of booking, however Flexbooker charges an "authorization fee" of \$1, then refunds it to make sure the card is valid at booking.

The no show fee for the Red Room and the Green Room is \$30 and the no show fee for the Red and Green Rooms Combined is \$60. You would only be charged this no-show fee if your party does not show up for the reservation or if the cancellation is within 72 hours of the booking date (see cancellation policy below). All charges for your room will be collected on site at the end of your stay.

You will receive a confirmation email with the date, time, and name of the room you booked. To cancel or make changes to your reservation, use the link that you received with your confirmation. To make booking easier for future reservations, click the "Sign-In" link on the booking portal. From here, you can create an account and have your personal information auto-filled for future reservations.

Note: You cannot call Mox Boarding House to make a reservation, the booking portal must be used.
